

## Message from the Mayor

It is my pleasure to extend greetings to everyone attending LatAm Startups Con 6.0.

I would like to welcome all attendees and international guests to this conference which will showcase international companies that have come to our city to offer a unique opportunity to connect with Canadian tech start-ups.

Toronto has become a tech hub in North America and is building an inclusive environment that promotes innovation, ideas and businesses that brings people together to solve the world's biggest challenges.

As Mayor, I have focused on building the technology and innovation sector in Toronto and will continue my efforts to ensure that everyone has an opportunity to prosper and thrive.

As Canada's largest city and the fourth largest in North America, Toronto is a global centre for business, finance, arts and culture and is dedicated to being a model of sustainable development. I welcome everyone to our city and encourage you to enjoy Toronto and learn about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event.

Yours truly,

John Tory  
Mayor of Toronto
